About IICM

IICM was established in the year 2020 by a group of talented young professionals with a desire for growth in the commerce and management fields. We, at IICM, offer unique and interactive residential coaching to our aspirants in CA, CMA, CS and ACCA courses. Our result oriented residential coaching is found to be very effective as students stay focused and give full commitment to acquire their dream career. Access to our free library and live interaction with our expert faculty team helps them to break down the barriers. Apart from full-fledged coaching, we have sports and recreational activities for entertaining our young minds.

Interactive sessions such as team building, group discussions and debate make them competent in the real world. Learning through safe, secure and fun-loving ambience keeps them motivated throughout the course tenure. Join us to elevate your career and ignite with great ease!

Mission

Our vision is to promote excellence in learning and teaching, to be best in class and a preferred partner for learners and organisations. We thrive to generate a professional, community spirited and progressive training institute, offering residential, flexible, tailored training and education solutions to educate, inspire and motivate students.
